APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued for storage purposes only (secondary applications to be filed for use of stored waters) and is subject to any prior rights on the source. By filing of Proof of Completion of Work, as required under conditions of the permit, secondary applications will be in order for approval so that applications of water to a beneficial use may be made.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.38 cubic feet per second, but not to exceed 1000 acre-feet storage per annum.

Work must be prosecuted with reasonable diligence and be completed on or before February 6, 1988

Proof of completion of work shall be filed on or before March 6, 1988

Application of water to beneficial use shall be made on or before _____

Proof of the application of water to beneficial use shall be filed on or before _____

Map in support of proof of beneficial use shall be filed on or before _____
